Greetings to our WACE Membership! As you know, our Sgt.-at-Arms, Bill Schultz, has sent out to the current membership the nomination form as the “Officer” positions of the Board are up this year. As a result, we need to have our members either step up to become involved and active in accepting a nomination for one of the positions, or nominate someone who you feel would bring energy, cohesiveness and willing to be part of this organization. We need to keep WACE vibrant and involved with the membership to bring education and help to the members. The time commitment is doable, I believe, as the most important aspect of the Board is to provide two very well organized conferences with relevant topics and speakers; have two Board meetings a year; and provide a forum for WACE members to give and receive information and ask questions to help them in their every day job responsibilities at their jurisdiction. We are here to help each other, and in order to do that, we need folks to get and be involved.

So, as your current President of WACE, I ask that you really think about how you want WACE to go forth and who you would like to see taking WACE there. Please nominate someone for a position, or nominate yourself. The available positions are on our WACE website along with their job description. We need you to be part of this great association. We need it to continue and with your help, we will have a great Board of Officers. Thank you for your consideration!

Michele Forkner, President of WACE
