# Friday, April 17th

## 2020 WACE Spring Conference

Officer Hacker has been a Pierce County Deputy Sheriff for over 28 years. Officer Hacker served as a SWAT Team member for over 14 years and as a defensive tactics instructor in the department for over 11 years. Officer Hacker has taught workplace safety and emergency preparedness to multiple schools, businesses, citizen groups, and government agencies. He's currently a patrol officer and firearms instructor for his department.

---

### SITUATIONAL AWARENESS

In this modern environment, there are plenty of distractions. It's important to be alert for dangers, have a plan to deal with them, and to have a mindset to cope with adversity. Deputy Dan Hacker will illustrate reasons to develop a survival mindset, and he will describe some ways to develop an effective survival mindset.

### AVOIDING AND SURVIVING HOSTILE ENCOUNTERS

This class is designed to teach you ways to help prevent hostile encounters, and techniques that may help you survive those encounters you can't avoid. Tools and devices, which you might use to protect yourself, will also be discussed.

The types of hostile encounters discussed range from a person who is argumentative, all the way through an Active Shooter encounter.

We know that hostile encounters can occur anywhere, and at any time. Learning techniques that can prevent those encounters has the potential of making everyone safer.

### EMERGENCY PREPAREDNESS FOR 1<sup>ST</sup> RESPONDERS

#### 3 Days and Beyond - Emergency Preparedness

Deputy Dan Hacker will use his over 20 years of experience to cover topics such as...

- Why Prepare?
- What to Prepare For?
- How to prepare for both short-term and long-term emergencies?
- Ways to Prepare?
- Money saving tips.
- Get the answers to any questions you might have and get a practical plan so you can get started.
- Get tips specific to the Code Enforcer.

### DEFEND AND DISENGAGE - SELF-DEFENSE CLASS

Deputy Dan Hacker will discuss ways to help keep you from ever having to use physical self-defense in the first place. He will also discuss some of the legal implications that may arise from defending yourself, domestic violence laws, how to avoid being a target, and having a plan to survive.

The second part of this class will be discussing and performing physical self-defense techniques. The techniques chosen are designed to be fairly easy to learn, fairly easy to remember, and fairly effective. Although no technique works all the time, those techniques taught will be nice additions to your self-defense toolbox.

Feel free to bring your questions about how a particular dangerous scenario might be handled. And, be prepared to have fun.

# 2020 WACE Spring Training Conference

## Officer Safety!

**This is a special working unit event without some of the accommodations we are typically able to provide. We feel the benefits of this training opportunity outweigh the inconveniences. We hope you take advantage and attend.**

### **Please note the following:**

The lunch provided includes a deli sandwich, fruit, chips, cookie, and soda. If this does not meet your dietary needs, please bring a sack lunch and snacks to sustain you for the day.

The WSCJTC facility does not permit food in the auditorium. Beverages are allowed ONLY if they are covered with lids.

Breaks will be provided for snacks and lunch. Lunch will be for one hour, including an optional WACE membership meeting. Training will resume promptly at 1:00 PM.

The WSCJTC facility has row bench seating without tables.

## Registration

To register for the 2020 Spring Training Conference visit the WACE website at:

[wace1.com](http://wace1.com)

**There are several hotels near the Criminal Justice Training Commission. If you plan to stay the night mention that you are attending training at the CJTC as many offer discounted rates.**
